

EASY CARD SYSTEM INSTALLATION BEGINS AT GOVERNMENT CENTER

Miami-Dade Transit will begin installation of new EASY Card faregates at the Government Center Metrorail station on Sunday evening, August 2, 2009.

The existing fare collection equipment will be removed and these areas will be barricaded with plywood to prevent accidents. Customers will be directed to temporary entrances where fares will be collected. Cash, Metropasses, 7-Day passes, tokens, Golden/Patriot Passports and all other currently valid fare media will continue to be accepted while installation is under way.

Please pardon our dust while we work to improve our system for you.

For information on the EASY Card, call 3-1-1 or go to the Transit Service Center at this station. TDD Service: 305-468-5402.
